

Egbert GUIJIS, external supply chain professional Oldenburger Transport

Egbert Guis is a supply chain professional since 1990. He worked a.o. for PostNL, TNO, CB Logistics and WPG Uitgevers. Nowadays he assists Oldenburger Transport to digitalize the information exchange and electrify the transport of flowers and plants from the Netherlands to Austria and Scandinavia and so to contribute substantially to the reduction of harmful emissions. He is also shareholder of a start-up in the Netherlands that organizes zero emission city logistics.
